Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Monday 03 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Windy with rain or showers, winds easing later Tuesday.

This Evening and Tonight:
Outbreaks of rain clearing east this evening, but further showery and locally heavy rain developing overnight, this wintry on higher hills. Strong winds and gales on the hills easing for a time, but becoming more widespread again by morning. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Cloudy and windy through much of the morning with further rain or showers. Becoming brighter through the afternoon as showers slowly ease from the northeast and winds moderate. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
Unsettled with sunny spells and occasional showers, these wintry at times across the hills, but showers more isolated on Thursday. Remaining cold for the time of year, with overnight frosts.
